Dear Katey,

Thank you for everything you do to defend our God-given Rights and Freedom! Please keep up the great work, like your weekly [Rights and Freedom Bulletin](#), your new [website](#), and your [YouTube videos](#). Your passion for and dedication to educating Canadians is amazing, and I support all that you are doing.

I am happy to include my generous donation payable to **KM Publishing Inc.** to help you continue the fight for our rights.

\$25     \$50     \$100     \$250     Other: \_\_\_\_\_

I appreciate that when I donate \$50 or more I'll receive access to your special Supporters Only section of your website, [KateysFirearmsFacts.com](http://KateysFirearmsFacts.com), when it's ready, that will be packed with tons of free stuff.

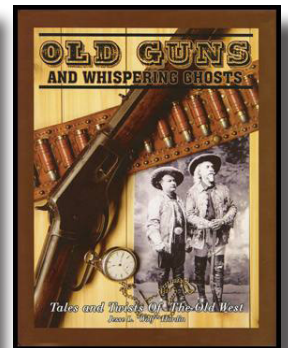

I think it's fantastic that when I donate \$100 or more I will also receive Katey's Firearms Facts DVD #3 which contains all your latest YouTube videos, and thanks the incredible generosity of Jesse "Wolf" Hardin, I will also receive a copy of his 246-page hardcover book *Old Guns and Whispering Ghosts*.

Thank you!

Sincerely,
